

I listen to Klove almost 24 hours a day. I have it on at my home all the time, even when i am not there so that Jesus' name rings out and through my home. Klove is the set dial in my car and i even listen to it at work. Klove is a tremendous asset to me, my family and our whole community. I would be discouraged if my government would make a ruling that would effect such a huge part of my life. Please do not cause Klove to leave the airwaves in the greater Austin, TX area.
